ASH TREES
ACADEMY

Dear Parents / Carers,

At Ash Trees Academy we are constantly reviewing our processes and welcome feedback from Parents and Carers to support our continued improvement.

We are currently reviewing the way homework is set and shared with parents and would really welcome your views on how it is currently delivered and how we can improve it further. We have created an online survey to gather views from Parents and Carers, which is accessible on laptops, computers and phones.

The link below will lead straight to the survey. This can either be typed into a search engine or a direct link will be available under the Parent/Carers > School Letters section of our school website.

The survey should only take a few minutes to complete and your views are important to us. We look forward to hearing your views on the topic.

We thank you in advance for your continued support.

Yours Sincerely,

Rebecca Dargan
