**ASH TREES**  
**ACADEMY**

Dear Parents/Carers,

Now that the warm weather has arrived, we are pleased to be able to enjoy the outdoors without the need for coats and woolly hats! However, as I'm sure you are aware, with the warmer weather comes an increased risk of sunburn.

If you are happy for staff within school to apply sun cream to your child could you please sign the form below and return it to school along with a bottle of sun cream labelled with your child's name. We will return any cream remaining at the end of term. If your child has any child allergies to anything that may be contained in sun creams please note this on the reply slip so we can be vigilant for adverse effects.

We will encourage children to apply sun cream independently where possible and will support those children who require it but would be grateful if sun cream could be applied prior to children starting school.

Yours Sincerely,

Wendy Coates

Head of Academy

I (Parent/carer) \_\_\_\_\_ give my consent to apply sun cream to my child

(Name) \_\_\_\_\_ when in school and I will apply it before school.

I have/ have not provided sun cream which I have labelled with my child's name.

My child is allergic to \_\_\_\_\_ which may be contained in some sun creams.

Signed \_\_\_\_\_
